YOUR WEEKLY TENDERS REVIEW

ABOUT SOUTH AFRICA

South Africa, the southernmost country on the African continent, renowned for its varied topography, great natural beauty, and cultural diversity, all of which have made the country a favored destination for travelers since the legal ending of apartheid (Afrikaans: "apartness," or racial separation) in 1994.

South Africa has three cities that serve as capitals: Pretoria (executive), Cape Town (legislative), and Bloemfontein (judicial). Johannesburg, the largest urban area in the country and a center of commerce, lies at the heart of the populous Gauteng province. Johannesburg, the largest urban area in the country and a center of commerce, lies at the heart of the populous Gauteng province.

The information about South Africa Government Tenders is collected from different sources like: newspapers, South Africa official govt tender websites and eTendering System.

Are you a supplier and intend to do business with the government? Good news is, you do not have to physically go to government offices and be in long queues for hours to transact business.

Find international bid invitations and information about tenders, bids, procurement, RFPs, RFQs, ICBs and detailed analysis across all sectors from South Africa.

Carefully read the tender document and ensure you have everything, such as:

- Company registration documents.
- Proof of relevant industry registrations.
- Original valid tax clearance certificate.
- Certified copies of directors' IDs.
- BEE certificate or affidavit.
- Audited financial statements.
- Proof of insurance.
- Declaration of Interest

ABOUT TENDER GAZETTE:

Tender Gazette is a rapidly growing Newspaper that help suppliers and contractors find government and private tendering opportunities in South Africa. We provide tender information, including invitation to contract, business opportunities and government contracts.
