### ABOUT SOUTH AFRICA

South Africa, the southernmost country on the African continent, renowned for its varied topography, great natural beauty, and cultural diversity, all of which have made the country a favored destination for travelers since the legal ending of apartheid (Afrikaans: "apartness," or racial separation) in 1994.

South Africa has three cities that serve as capitals: Pretoria (executive), Cape Town (legislative), and Bloemfontein (judicial). Johannesburg, the largest urban area in the country and a center of commerce, lies at the heart of the populous Gauteng province.
